

## Fort Sanders Regional Medical Center

Please call (865-541-1634) to schedule your Pre-Admission Labs. These need to be completed at least 2-3 days prior to your surgery. Their hours are 9:00 – 4:00 Monday through Friday.

Please have your physician forward Medical Clearance for you to undergo general anesthesia. We need to receive this at last 1 week prior to surgery. (This may require an appointment with your doctor).

Our office needs to be notified of any address, phone or insurance changes that may have occurred after your pre-op visit.

If you should need to cancel your surgery for any reason, you must contact our office (865-521-7998) as well as the hospital (865-541-1279).

Please feel free to contact us with any concerns or questions that you may have.
